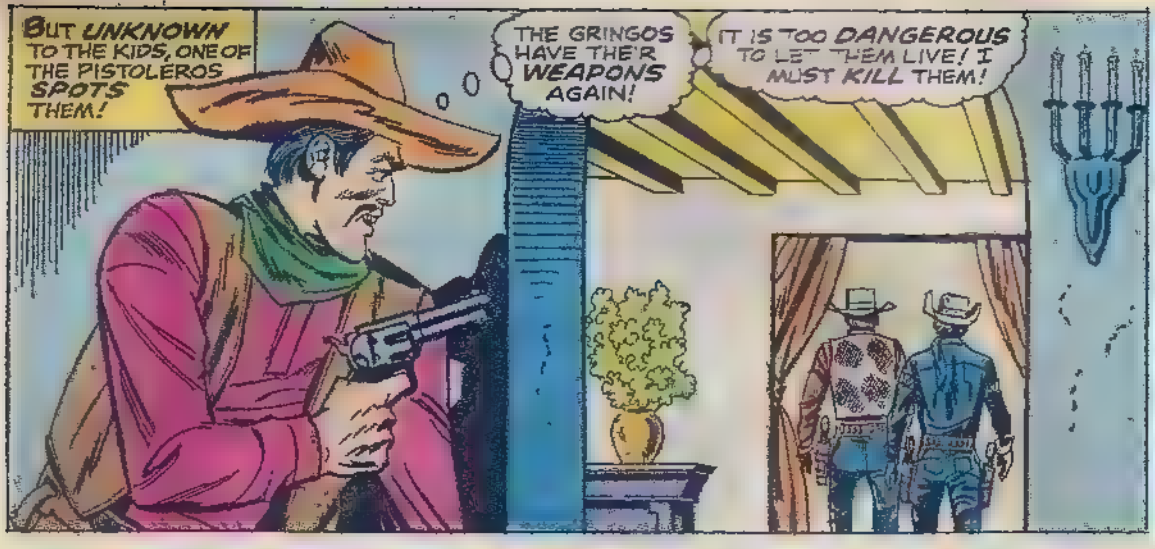
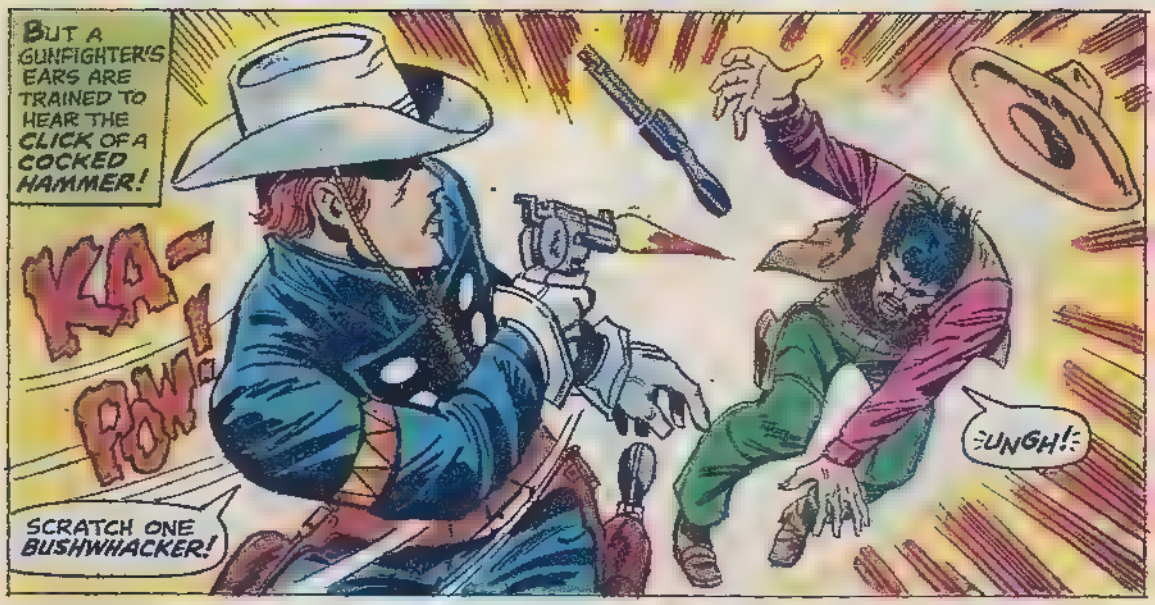
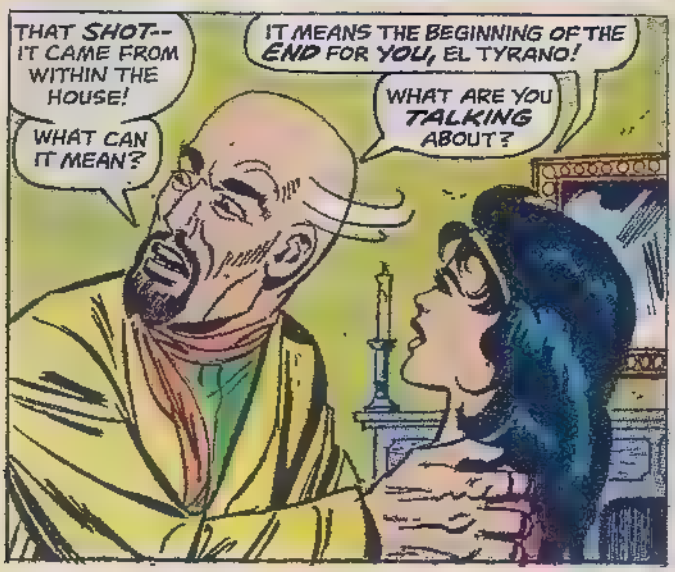
I WILL PROVIDE THAT DIVERSION!
LATER...
AFTER SEEING HOW EASILY YOU DEFEATED THE AMERICANOS, I REALIZE IT IS HOPELESS TO RESIST YOU!
SO-- YOU FINALLY CONSENT TO BE MY WIFE!
YES! I CAN FIGHT YOU NO LONGER!
YOU ARE TOO POWERFUL! TOO RUTHLESS!
BUT NOT TO YOU! TO YOU, I WILL BE GENTLE AND LOVING!
IT WORKED! SHE'S GOT HIM COOING LIKE A DOVE!
HERE'S YOUR HARDWARE!



BUT UNKNOWN TO THE KIDS, ONE OF THE PISTOLEROS SPOTS THEM!
THE GRINGOS HAVE THEIR WEAPONS AGAIN!
IT IS TOO DANGEROUS TO LET THEM LIVE! I MUST KILL THEM!





THAT SHOT-- IT CAME FROM WITHIN THE HOUSE!
WHAT CAN IT MEAN?
IT MEANS THE BEGINNING OF THE END FOR YOU, EL TYRANO!
WHAT ARE YOU TALKING ABOUT?

THE AMERICANOS HAVE RETRIEVED THEIR GUNS --AND YOU ARE FINISHED! FINISHED!
YOUR WORDS-- YOUR KISSES-- IT WAS ALL A DECEPTION!
YES, MONSTER! YES!

Now revealed—the "2 Hour" method to

SUPER-SPEED KARATE

Karate is the secret oriental art that can give your fingertips "atomic" power points—so effective that no man will dare attack you after they have seen it only once!

NOW, YOU CAN GIVE YOURSELF THIS FANTASTIC POWER FASTER THAN YOU EVER DREAMED POSSIBLE...with the SUPER-SPEED, SUPER-KARATE POWER METHOD. In just 2 hours you can be on your way to becoming an invincible Karate Master, at home, or it costs you nothing!

WALLACE W. NEUMANN

Author of SUPER KARATE and world-famous authority on KARATE is the ONLY instructor in the Northwest U.S. recognized by the International Karate Federation in Tokyo.

I spent 5 years in Japan learning the little known Oriental art of KARATE and was awarded the 4th degree Black Belt, symbol of the highest possible proficiency. Now I'm ready to show you every secret I learned—and I guarantee I'll make YOU into a KARATE expert or it won't cost you or every man you paid for my information a cent! Be refunded!

You don't have to attend either of my 2 schools where I train more like you and with them into KARATE experts. No I can show you how to practice KARATE in the privacy of your own home with only a few hours of practice a day! You'll be fast and I believe smart KARATE into SUPER KARATE ... privately. Illustrated and clearly explained.

In this book I take you step by step through the fundamentals of KARATE so that you understand clearly and hypnotically how these amazing principles operate to make you master of ANYONE you ever meet no matter how big he is, or how much he weighs!

YOUR BODY IS YOUR PROTECTION!

The result of hundreds of years of development in Japan, KARATE is the Oriental system of self-defense in which you turn your hands, arms and legs into incredibly powerful weapons of attack. When you know how to use KARATE, you disarm and disable your opponent in SECONDS.

When you apply KARATE techniques, you can cut an aggressor down with a blow of the side of your hand. You can tear an attacker from the rear over your shoulder and slam him into the ground with force. A recent photograph in Pageant Magazine shows a 115 lb girl disarming her 240-lb. instructor [illegible] practice bout!

With KARATE you can disarm an opponent rushing you with his fists, a broken bottle, a razor, or any kind of bludgeon. You can turn an aggressor's attack into your advantage with only your bare hands, your arms and your legs!

MASTER EVERY SITUATION

With KARATE you can disarm and disable two, three and even four attackers. You can apply a simple pressure of your thumb and finger against any one of a dozen vital nerve centers of your opponent and watch his gun or knife fall from his limp hand while he himself sinks to the ground completely helpless and faint.

In fact, a knowledge of KARATE will turn you into a NEW MAN overnight! You never actually have to use it for you will become self-assured and completely confident of yourself and your ability to handle yourself! You will walk with a determined and confident step. You'll look any man in the eye ... and you'll walk the streets with the knowledge that NOTHING can frighten you—that you can deal with any man, any weapon, any situation—and that you can do all this with NO deadly contact!

Costs ONLY 99¢

You owe it to your own peace of mind—to your loved ones—to be able to defend yourself in these days when attack may come at any time from hoodlums, criminals and "wise guys." So mail coupon NOW for my complete instructions on KARATE—for the amazingly low price of only 99¢ plus 25¢ for postage and handling. DON'T MISS · THE
BIG RODEO!
STARRING
SKINNY SMITHERS
THE GREATEST
GUNMAN
SINCE
ANNIE OAKLEY
The End

EVERYTHING YOU'VE ALWAYS WANTED TO KNOW ABOUT THE BULLPEN, BUT WERE AFRAID TO ASK!

ITEM! Okay, here it is—your first official notice! So don't say that we didn't alert you. The great, long-awaited 100th issue of SPIDER-MAN will soon be on sale! We've been preparing for it for months—planning a story which will be truly different; truly worthy of celebrating the 100th anniversary of the world's most popular, most sensational, and most relevant superhero. We're not trumpeting this extraordinary event just to rake in an extra few pennies, honest! (Although we've never been known to complain about making money!) It's just that we know you'll never forgive us if we let you miss this landmark edition. 'Nuff said!

ITEM! Speaking of landmark editions, here's one for the books: The current HULK thriller, now on sale, is based on TOM WOLFE'S brilliant best-seller "Radical Chic," and Tom himself actually appears in the yarn. He said he's always wanted to be a Marvel superhero—and nobody says them there kinda things lightly around the ol' Bullpen! To call this issue "off-beat" would be like saying that Raquel Welch isn't too bad looking!

ITEM! Here's some more good news for the Marvel-minded millions! RECKLESS REED CRANDALL, one of comicdom's all-time greats (remember his breath-taking illustrations in the old-time E.C. mags?) is planning to return from his hibernation out west and rejoins his long-time-no-see buddies here at the Bullpen! We can't wait till you see what this cat can do with a pen and ink. (His first assignment may be in one of our M-rated mags—SAVAGE TALES or DRACULA—so make a note, Mature One!)

ITEM! While talking about Reed, we just remembered another, equally exciting item for you. AMIABLE AL WILLIAMSON, another widely-heralded E.C. alumnus, will be forsaking his newspaper and book illustration long enough to also help us usher in the Marvel Age of Awesome Artistry! We just spoke to Al the other day and decided he's been away from us too long—so keep the faith, Forbush-Lover—and watch for the new excitement that's hurtling your way!

ITEM! Hey, gang, have pity on us, huh? Just 'cause our mixed-up mags are big on campus, and SMILIN' STAN is the darlin' of the literary lecture circuit, that doesn't mean we've got the time to help you with your term papers, treatises, or doctoral theses! We seem to receive a couple of dozen letters each week from Marvel-oriented students who tell us they're doing a term paper, or some such, about the Marvel Mystique—and would we send them all the info we can about our organization, our modus operandi, our future plans and projections, and a detailed analysis of our collective philosophy! Well, we're flattered as all get-out that anyone would care—and it breaks our hearts to have to disappoint any of you—but we hardly have the time for coffee breaks, let alone being able to engage in the kind of correspondence that such requests would necessitate! So have a heart, hero—please don't ask us to collaborate with you on your school reports. Anyway, think how we'd feel if we did—and you flunked!

ITEM! Here's a real sentimental scoop! Two of our top talents just happen to be brother and sister. We're referring, of course, to HONEST JOHN SEVERIN and his sweet 'n saucy kid sis, our own MIRTHFUL MARIE SEVERIN. Well, it seems that Johnny is moving his wife and six little Severins out to Colorado, where men are men (and the taxes are lower!) We won't mention the name of the city, because we don't want our crafty competitors to try'n track him down. Anyway, before leaving New York, Johnny and Marie have collaborated on a strip—something they've wanted to do for years. It's none other than the sensational second issue of our newest hit-publication, KULL THE CONQUEROR! When you feast your baby-blues on the results of the Severin team-up, we've a hunch you're gonna holler for more. (But not too loud, hear? We'll be listening—we promise!)

ITEM! (Now, let's keep 'em short and squeeze in as many as space allows.) GENIAL GENE COLAN is teaching a part-time course on comics at a school in his home town in New Jersey! Right on, ol' buddy!—Watch for Marvel's newest title, out soon. It's "RED WOLF," based on the cataclysmic character introduced in AVENGERS #80—but, the time is a hundred years earlier, in the days of the really wild West! Written by GARDNER (FEARLESS) FOX and illustrated by SYD (THE KID) SHORES, it'll knock you outta your saddle.—Incidentally, didja know that Syd was one of the earliest CAPTAIN AMERICA artists during the first Golden Age of Comics? Well, when you see his work on RED WOLF, you'll know why comics are better'n ever!—Regards to LILTIN' LYNN WOLLEY, news-reporting nabob at radio station KNOW in Houston, Texas, where he's been doing his bludgeonin' best to help promote our befuddled brand of Marvel madness. —And, leave us not forget New York's own MIKE TURNER, at WABC-FM, another disc-spinning super-fan who hilariously hosted Our Leader for a long and laugh-filled gab-fest at one of his late-night stanzas.—Finally, did you hear about DOUG KENNEY, editor of the far-out NATIONAL LAMPOON, coming to see us? He and Stan rapped for hours, and when the confab finally broke up, we're still not sure whether Lampy is gonna do a parody of us—or sue us 'cause we haven't paid for our subscription! But, that's the way it is in Marvel-land! EXCELSIOR!

STAN LEE'S SOAPBOX

A couple issues back we discussed a few aspects of comic-book script writing. So, it now seems only fair to yak it up about the artwork that graces our phantasmagoric pages. Have you ever stopped to think how multi-talented a Marvel artist has to be? Not only must he be the equal of any book, magazine, or advertising illustrator, but he must also be a master story-teller, as well. Remember, here at the Bullpen, we work differently than at any other comic-book company. Here, the artist actually collaborates with the writer on the structure of the story. Working from the script-writer's synopsis, the artist himself develops the story pictorially, and only then is the artwork returned to the writer so that he may add the required dialogue and captions. Our illustrators must be masters of dramatic portrayal—of visual characterization—of anatomy, composition, and continued-action layout. Not only must they create a viable, three-dimensional world on paper, but they must then imbue it with life, with excitement, with a sense of belief. And, above all, unlike the so-called "fine artist" who can work at his leisure over a single drawing, the comic-book illustrator must create his panels one after the other, always speeding towards an impending deadline, with one eye ever on the clock and the calendar, producing from one to three pages a day—day after day—in this, the comic-book field—a truly native American form of art which, in a few short decades, has made its influence felt throughout the entire globe. As an editor and writer, I proudly salute the magnificently dedicated, monumentally talented comic-book artists who have made the world a little more thrilling, a little more dramatic, and a lot more colorful for us all.

Onward!

RIDIN' THE TRAIL WITH RAWHIDE

c/o MARVEL COMICS GROUP, 625 MADISON AVE. N.Y.C. 10022

Dear Stan and Larry,

Is RAWHIDE KID a monthly or a bi-monthly? I ask this question because in issue #80 it said bi-monthly, issue #81 was back to monthly, 82 bi-monthly. Please explain.

'd also like to say that I think WESTERN GUNFIGHTERS is one of the best mags that you put out. I hope that you leave Gunhawk and the Renegades in it. Tales of Fort Rango is also good.

Troy Turner, 2400 S. Frazier St.
Phila., Penn 19143

RAWHIDE KID is a monthly book, Troy. Sorry about the confusion. And thanks for your fine words. We appreciate it.

Dear Stan and Larry,

I like to read the RAWHIDE KID, but I would like to know how he became so fast and quick with his Colt .45's.

I didn't get the chance to get the first issue of RAWHIDE KID because I was hung up on DAREDEVIL and THOR.

I read a couple of Rawhide Kid's magazines and they were terrific. Issue #83 was a gas.

I would like you to send me a copy of the first issue of the RAWHIDE KID, when he was just a little kid. And another thing, do I have to pay you for the mag??

Keep smiling!

Walter Clay, Jr., 3837 Lex. St.
Chicago, Ill. 60624

We'd like to be able to send copies of back issues to you and anyone who asks for them. Fact is, Wally, our offices are geared only produce the original material of what you see in print. We get back only the copies that are immediately necessary for production purposes, and we barely have room for that.

As for how the Kid acquired his skill with guns - like everything else in life, Wally — practice. It was also a help that the Rawhide Kid got shot at a whole lot . . . it kind of encouraged him to learn real fast. Peace!

Dear Stan and Larry,

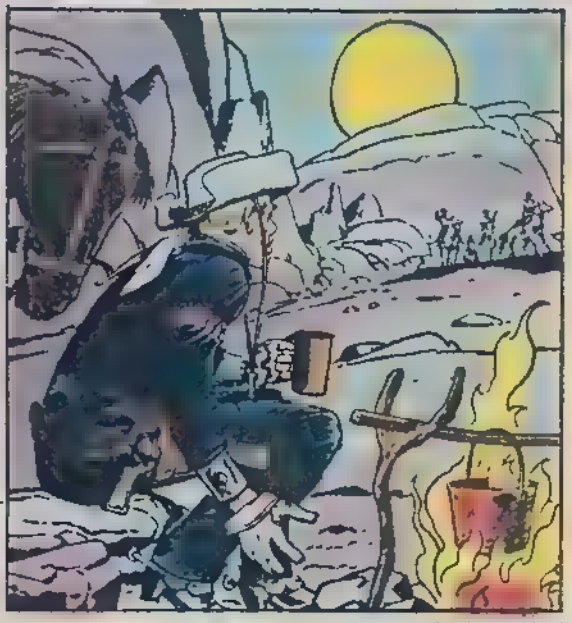
In RAWHIDE KID #85, James Rubino asked about giving Rawhide Kid his own annual. RAWHIDE KID has been out for a long time, now. Do, please, give him his own annual for 1971.

Bill Morgan, 28 South St.
Staten Island, N.Y. 10310

No sooner said than done! (Who says we never give our readers what they want?! Of course, the fact that we'd planned to put out the book, anyway didn't hurt . . .)

Dear Stan and Larry,

If I may ask, how did the Kid turn outlaw? He hasn't, to my knowledge, robbed any banks, or rustled any cattle, or murdered (without doing it in self defense). Could you have an issue on how the Kid turned outlaw? And could you have his name cleared? But



I do like how he travels. I sure hope you don't change that!

David Hayes, M.D., 28th Parkway
Hillcrest Hights 25024

The Rawhide Kid outdrew a cattle rustler in a fair fight just as the sheriff came upon the scene. So fast was the Kid that it looked like the rustler wasn't given a fair chance. A witness was willing to testify in Rawhide's behalf, but the Kid panicked and ran. Thus did the Rawhide Kid become an outlaw.

Yes, Rawhide can be cleared, but we're just gonna have to sweat it out with the Kid 'til the oportunity arrives.

Dear Stan and Larry,

I read RAWHIDE KID all the time, but one word of advice. If I were the Rawhide Kid, being a fugitive, I'd change my outfit occasionally, and I wouldn't keep calling myself the Rawhide Kid. Another thing: not everyone in the old west carried Colt .45's or lever-action Winchesters. How about it? Study your history a little bit.

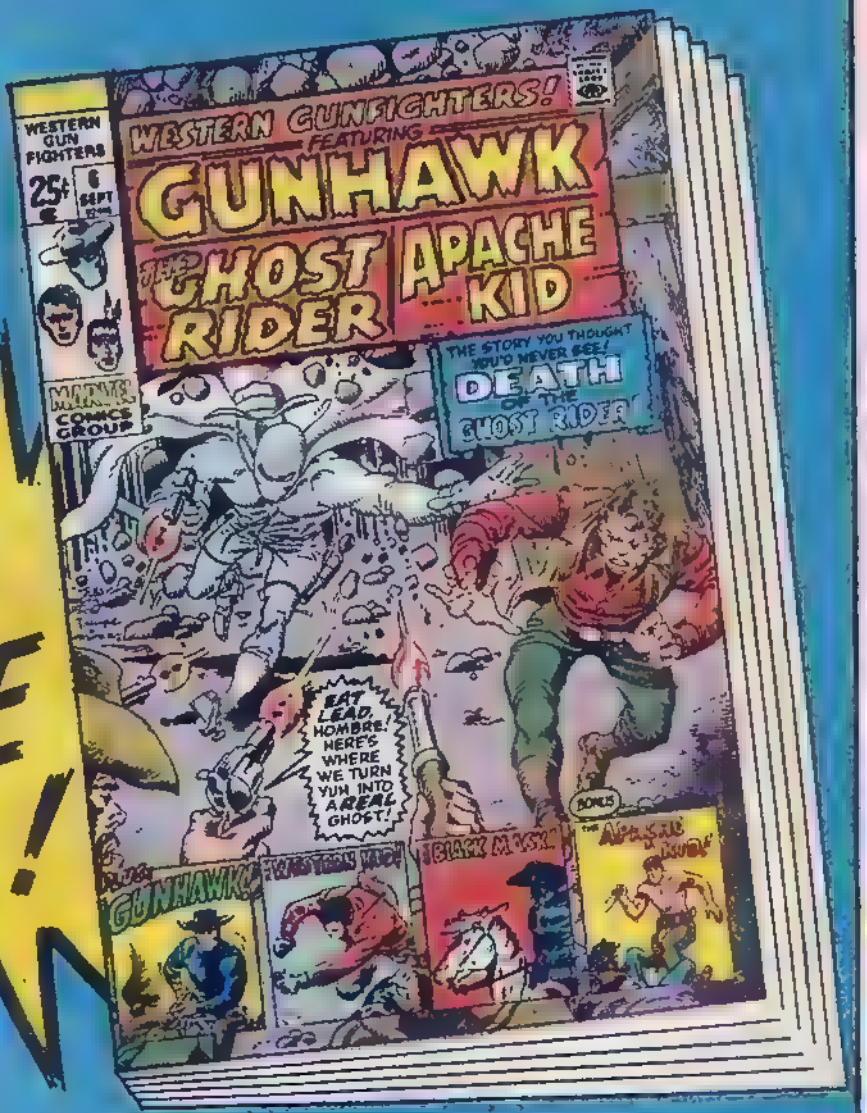
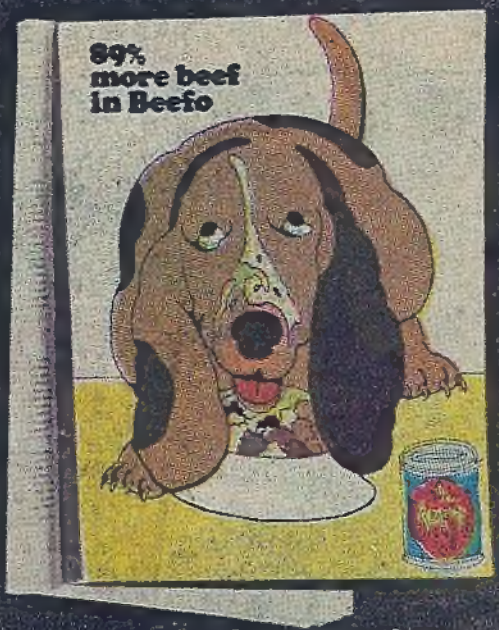
ANOTHER MARVEL MASTERPIECE



ON SALE Now!

IN THE FABULOUS MARVEL STYLE



If you like to draw for fun, we can help you draw for money.

You're having a lot of fun with your pencils and paints.

But are you afraid to think your drawings could be worth money?

Don't be.

If you enjoy drawing people, for example, you might be good at cartooning or at fashion art. Or if you draw landscapes, there may be a future for you as an illustrator.

While not everyone can be successful in the art field, all you may need to get started is the right kind of professional training.

You can now get that training through the Famous Artists courses, created by some of the highest paid artists alive. Norman Rockwell, Bob Peak, Lorraine Fox and others.

Naturally, the famous artists themselves will not actually work on your drawings. But there are 103 practicing artists on our teaching staff who know the working tricks, the short cuts to get you further faster.

As a Famous Artists student, you work at home. But you never work alone.

Each assignment you send to the Famous Artists School gets the attention of an instructor who is himself a working professional artist. He not only draws or paints his suggestions for improvement, but tries to bring out your special touch so you'll have something to show when you're ready to go out into the field.

Will this training help you make money as an artist? It did for Donald Ward who enrolled at FAS when a teenager, and today works in the largest advertising agency in Akron. His portfolio of work was enough to get him a job on a staff of 6 artists.

And Helen Tryk lives in the small town of Cottage Grove, Ore., yet achieves success doing fashion illustration and portraits—all in her own studio.

Do you have art talent worth developing? For a free talent test that can help you find out, simply mail the coupon. There is no obligation. If you decide not to go ahead with professional training, you can still keep drawing, just for fun.

I would like to find out if I have art talent worth developing. Please send me, without obligation, your Famous Artists Talent Test and information about your courses.
